# Sea Breeze Elementary PRE-K SOAR IN 4 PROGRAM

EARLY LEARNING FAMILIES

## \* SOAR in 4 Program \*

*The Sea Breeze Elementary Pre-K Family Summer SOAR in 4 Program is built on the most basic belief that all students will learn and achieve. We will achieve this through positive relationships with families and a safe classroom environment. When students and families enroll in our early childhood program they become part of our SOAR in 4 community..*

We wish to welcome you and your family to our school community. Our goal is to support you as your child begins their school journey. Transitions can be difficult so we have developed a summer family program for our early learning Pre-K families. Our summer SOAR in 4 Program will help prepare our early learners for school success. We have enlisted several virtual volunteer buddies from our community who will be supporting you and your family throughout the summer program. Your virtual volunteer buddy will be calling you every other week to provide sunshine calls and to personally

invite you to school events and provide support throughout the year.

This summer your family is invited to enjoy four on campus activities which will include dinner, meeting the staff, learning and playing with your family, and receiving materials to use in the home. We will also have a family fun field trip off campus. We will be providing high quality and fun learning experiences for both children and adults. On campus events will be every other

Tuesday night beginning June 6th. Dinner will be served from 6-6:30 and the activities will begin at 6:30 and last until 8:00.

Tuesday May 30, 2017

Virtual Volunteer Buddy will call your home!

Tuesday June 6, 2017

- SOAR in 4 Orientation~ Come and tour your new school campus, get your Super Secret Code, and meet your classmates.

Tuesday June 13, 2017

Virtual Volunteer Buddy will call your home!

Tuesday June 20, 2017
