## Soar in 4 has transitioned to a Monthly Drive-Thru Program for the 2020-21 School Year!

*Soar in 4* is Manatee County's monthly movement to ensure all early learners and their families have the opportunities and support they need for success in preschool, school and beyond. *Soar in 4* is a collaborative effort to ensure all children are reading on grade level by the end of third grade. *Soar in 4* focuses on 15 economically disadvantaged neighborhoods.

Due to COVID-19, the *Soar in 4* model has transitioned to a monthly drive-thru program the first Wednesday of each month, held in downtown Bradenton. Each month a new 'spotlight book' will be featured. Families drive by 14 demonstration tables (facilitated by Manatee County teachers, non-profit organizations and volunteers) to learn how to use various materials to support the 'spotlight book,' as well as incorporate take-home items to continue to play, create, learn, and explore at home together. These monthly events provide families with the resources and information to become their child's best 'first teacher' at home. All activities are aligned to classroom learning.
